Grading Policy-consist of five (5) components:

1. Test/Projects-40% of the grade
2. Quizzes-20% of the grade
3. Class Assignments-20% of the grade
4. Notebooks/Journals-10% of the grade
5. Homework-10% of the grade

Total-100%

Tests/Projects- A minimum of three (3) tests and/or projects per nine weeks + 9 weeks or semester exam; total of 4 tests/projects

Quizzes- A minimum of 4 per nine weeks

Class Assignments- A minimum of 8 per nine weeks

Notebooks/Journals- A minimum of 4 per nine weeks

Homework- Homework will be assigned a grade of 0, 50, or 100; a minimum of 8 per nine weeks

Promotion Policy

Although the Georgia Dept. of Education do not require sixth graders to score on the proficient level for promotion to the seventh grade, we have found that it is good practice for students to start achieving that mastery at the sixth grade so eighth grade will not be so difficult.

However, local board policy requires that sixth graders pass ALL their core subjects (math, ELA, science, & social studies) with a grade of 70 or better for the end of the year to be promoted to the seventh grade. It also requires students to pass their intervention classes (math and reading) with a 70 or better per nine weeks. Failure to do so can result in attending summer school or being retained.
